

## Dear Audubon Families,

As we are entering these last few days of school, we'd like to give a special thanks to our students for their hard-work and perseverance during distance learning. Audubon Eagles you are **AMAZING** students! We also send our appreciations to all those who supported our young Eagles during these months. Yesterday, Tony Thurmond, State Superintendent of Public Instruction, shared a guidebook for the safe opening of California Public School. With this guidebook and guidelines from the Health Officer of the County of San Mateo, Dr. Scott Morrow, our District is creating a plan for opening in the Fall. As soon as we get more of the details, we'll share them with you. The first day of school for the 2020-2021 School-Year for students is Wednesday, August 12.
