New Business:
1. **State CAASPP Data on new State Dashboard**
    a. School Site Council Viewed 2 videos on California School Accountability Dashboard
    b. What are some questions we have about the Dashboard?
        i. How are they measuring College and Career Readiness?
        ii. What data can I find at the Dashboard?
        iii. How do we recognize status change for high preforming groups/sub groups?
        iv. How are local indicators accessed? And define each one.
        v. What is the purpose of the data on the dashboard?
        vi. What are the subgroups or total groups?
    c. Reviewed Audubon Dashboard
        i. The data shown on the main screen is 2015-16 data for our EL students.
        ii. Every group has increased in all areas under the change category.
            1. Questions about the Dashboard after reviewing Audubon data
                a. How will teachers/parents use this information?
                b. What is the essential part of this data?
                c. What is the number of students to create a significant group?
                d. Is there data available by grade?
                e. Is this helpful in looking at our SPSA Goals?
                f. Will Science be added to the Dashboard?

2. **Review Current goals for our Single Plan for Student Achievement**
   a. Review Goals
      <u>Goal 1</u>
      i. Update how academic data is analyzed-no longer use API.
      ii. Possibility for RTI for math?
      iii. How do we track progress of our goal-where do we see this?
      iv. How do we set realistic growth percentages for sub groups-can we use Dashboard to set growth indicators?
      v. What data points will we use within the SPSA? CAASPP or Galileo

      <u>Goal 2</u>
      i. Are we continuing with Soul Shoppe?
      ii. What can we do to improve Soul Shoppe for 5th Grade Students? Perhaps incorporating Middle School material?
      iii. How do we measure, "Parents will participate in students' education"?
      iv. Add new programs

3. **New Business (around table):**
   a. **Site Council Membership for 2017-2018**
      i. E-mail Emily Brandt if you are in your 2nd year and are interested in staying for a 3rd year. We will look at the bylaws for membership, and also how many meetings we are required to have for Site Council and also to align with LCAP
