California Content Standards

All students at Bayside learn Math and Language Arts through the new State Adopted, high quality, California Content Standards.

- Common Core Math and ELA Standards
- Next Generation Science Standards
- New ELA/ELD Framework
- New Social Studies Framework

These learning goals outline what a student should know and be able to do at the end of each grade.

Mandarin students at Bayside 2014-2017

Student Schedule

All students take 7 classes

6th & 7th grade: 2 period of Mandarin, ELA, Literature, Math, P.E., Science

8th grade: 2 periods of Mandarin, ELA, Social Studies, Math, P.E., Science

Student Schedule

Mandarin students are grouped together by grade level for their 2 periods of Mandarin class. Currently, our 6th grade Mandarin students are also together for their ELA and Literature classes.

Math, Science and PE classes provide an opportunity to meet other Bayside students.

Student Schedule - Math

Most students in 6th grade take 6th Grade Math using the rigorous Common Core State Standards.

However...

Some students qualify for the compacted pathway which includes a rich diversity of students.

Invitations to the compacted pathways are based on a series of District criteria.

How do I apply for Mandarin at Bayside?

1. All students need to register at their home school. Home school letters will be sent out **December 7th**.
2. Once the transfer window opens on **January 17th**, you will apply for a transfer to Bayside Academy in the Mandarin program.
3. Transfer window closes on **February 10th**.
4. Approval letters are emailed home **March 10th**.
5. Once you have approval, you come to Bayside to sign the MOU and complete registration.
