IMPORTANT REMINDER FOR ALL FAMILIES

Please remember that there are no dogs or animals of any kind allowed on the Beresford campus at any time.

While we love our “furry” friends, it is for the safety of all students and staff that we ask you to please leave your pets at home when coming to school.

Thank you so much for your help and cooperation!!!

RECORDATORIO IMPORTANTE PARA TODAS LAS FAMILIAS

Por favor, recuerde que no hay perros o animales de cualquier tipo permitidas en el campus de Beresford en cualquier momento.

Mientras que amamos a nuestros amigos "peludos", es por la seguridad de todos los estudiantes y el personal que le pedimos que por favor deje a sus animales en la casa cuando viene a la escuela.

Muchas gracias por su ayuda y cooperación !!!

Brain Ticklers

Even when you take the whole away from me, there is still some left. What am I?
 (Hold the page upside down and read it in a mirror for the answer!)

Like word „mjkosour“

People seem to either love broccoli or hate it – and the haters aren't all six year olds! Scientists say that some people are highly sensitive to a bitter tasting compound in broccoli and other vegetables that most folks don't taste at all. People with the "bitterness" gene could eat as many as 200 fewer servings of veggies a year!

☆ First & Last Day of School for Students

SAN MATEO-
FOSTER CITY
SCHOOL DISTRICT

August 2016

Dear Parents and Guardians:

We would like to take this opportunity to remind everyone to drive safely, follow all traffic rules and watch out for children and pedestrians. Safe driving around our schools improves safety for all children, including yours. Please follow the school's drop off and pick up procedures. In addition, please pay attention to your surroundings and watch for children while dropping off or picking up your child. The San Mateo Police Department and the San Mateo-Foster City School District urge you to support our priority of student and traffic safety around San Mateo-Foster City schools. The San Mateo Police Department will be focusing on traffic safety in and around our schools with both plain clothed and uniformed traffic enforcement.

Please consider the following tips:

- Please drive slowly around the school while children are present.
- Drivers **MUST** yield to pedestrians crossing in a crosswalk. The minimum fine for this type of violation is **\$200**.
- Pedestrians must use marked crosswalks to cross the street. Several crosswalks are located around the campus.
- Drop-off your child at a location where he/she does not have to cross the street.
- Have your child sit in the passenger side of the car so he/she can exit onto the sidewalk.
- When dropping off your child, pull to the curb safely, have your child exit carefully and depart immediately. This will allow others to safely bring their children to school. Do not leave your car unattended in white zones.
- Do not block crosswalks, driveways, red zones, or fire hydrants.
- Left turns in and out of the on-campus drop-off are discouraged.
- In some cases, it is illegal to make U-turns near the school. They should always be avoided when traffic is heavy.
- Be courteous to your fellow parents and residents.
- Remain alert and encourage others to follow these safe driving tips.

Thank you in advance for following these tips and improving the safety around San Mateo-Foster City Schools.

Sincerely,

Susan Manheimer
Chief of Police
San Mateo Police Department

Joan Rosas, Ed.D.
District Superintendent
San Mateo-Foster City School District

San Mateo-Foster City School District is Hiring on call, asneeded

Translators/Interpreters

\$20.00/hour

The San Mateo Foster City School District is looking for people to translate written documents and interpret oral communications for parents and teachers. We are looking for all languages, but are most in need of translators/interpreters of **Spanish, ASL, Mandarin, Japanese, Hindi and Tongan**. Translators will attend meetings and parent-teacher conferences to support interpretation for parents. Translators also support the district and school sites with written translation of documents and report card comments. Applicants must have an extensive vocabulary in both languages and follow confidentiality guidelines of the District. Applicants will be interviewed and their oral and written abilities will be assessed before acceptance onto the list of approved translators.

Please complete a district classified application and mail it to the address at the top of the application. A district application may be downloaded at <http://www.smfcsd.net> (click on the Employment tab in the middle of the page and print the "classified" application).
