

UPDATE: MEETINGS CANCELED

We are postponing the upcoming General Plan Update workshops as we expect attendance to be very low following guidance by the San Mateo County Health Officer that non-essential events be cancelled.

Community input is an essential part of the General Plan Update and an online engagement tool will be available soon. We will also arrange opportunities for in-person feedback at a later date. Stay tuned to StriveSanMateo.org for more information about the General Plan Update.

We are working closely with the County of San Mateo to monitor and respond to the evolving COVID-19 situation and its potential impacts in the City of San Mateo. The Centers for Disease Control, CDC, and San Mateo County Health remain the best resources for current information about the novel coronavirus and information is available at www.cdc.gov or <https://smchealth.org/coronavirus>.

At this time, all other essential meetings and programs hosted by the City of San Mateo will continue, and we will evaluate non-essential public gatherings on a case-by-case basis.
