CORPORATE MATCHING PROGRAM

A corporate match is when a company matches the contribution made by their employee to eligible nonprofit organizations, like the **BIES PTA**. For example, if a parent contributes **\$250** to the BIES PTA, participating companies will potentially match and double the contribution of their employee for a total contribution of **\$500** to the school. If your employer participates in a match program, please process the match ASAP, as the process may take 1-3 months before the Brewer Island PTA receives the match check. To view a list of participating match companies, go to: brewerislandpta.membershiptoolkit.com/fundraising.

Check "Yes" – 1) Process match. 2) Submit copy of transaction/receipt, along with this Dolphin Drive Contribution form to the office or PDF documents to Carla.Pursnani@aol.com.

Check "Will find out" below – Let us know ASAP, whether your employer participates in a match program. Email Carla.Pursnani@aol.com, so we know to expect the check and update our records.

Check "No" below – If your employer does not participate in a corporate match program.
