

# Hello Brewer Island Families!

---

I want to take advantage of this time of thanksgiving and new beginnings to thank all the parents who have given what they can to our school. Running the Dolphin Drive has been a wonderfully humbling experience. It's been heartwarming seeing families go above and beyond what has been asked of them as well as families giving what they could no matter what the amount.

## ***Thank you again so much for all your generosity!***

Unfortunately, we are still short of our goal; I will be hanging up posters providing a visual of our progress soon so that everyone can see where exactly we stand. Below is a chart to give an idea.

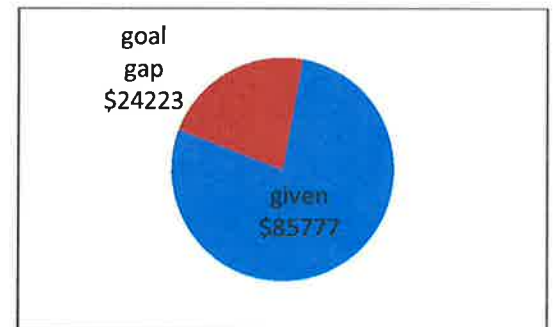

Some of the programs and things that are funded through the Dolphin Drive are

- Computer lab teacher
- tech support
- Art-in-Action
- onsite field trips
- P.E. classes and supplies
- extra library time so that all classes get time in the with the librarian
- support for our music program
- as well as office and classroom supplies

These are only a few of the many programs supported by our school's fundraiser. Since we do a direct fundraiser like the Dolphin Drive, every dollar we contribute goes fully to our school!

Volunteering is also a great way to contribute to our school! We have many positions open on the PTA board, as well as teachers who could use support in the classrooms and committee members who could use a helping hand.

***With the combination of our time and donations,  
our children will have a fun and enriching school year.***

You can donate online at: [brewerislandpta.membershiptoolkit.com/home](http://brewerislandpta.membershiptoolkit.com/home)  
Just click on the drop down menu and you can find the fundraising option under the fundraising topic

OR

You can fill out and attach your contribution and drop it off in the office

*Here at Brewer Island we are a community! Thank you all for your time, I truly feel blessed to be the Dolphin Drive Director*
