community school of music and arts

Art4Schools and **Music4Schools** are programs of **CSMA** that bring sequential, skill-based instruction to more than 16,000 children (grades K-8) at 40+ schools in Santa Clara and San Mateo Counties. CSMA is our region's preeminent art and music education

center, where people of all ages and abilities can discover, develop and nurture their creativity. A non-profit organization serving our community since 1968, CSMA enriches lives with high quality music and arts education, performances and exhibitions. Annually, CSMA serves over 22,000 people through our art and music classes, private music lessons, preschool music and art programs, and vacation camps, as well as free concerts and art exhibitions. We make the arts accessible to all!

Shortino Family Foundation

CENTER FOR PROFESSIONAL DEVELOPMENT

Reading Skills Programs

OFFERED THIS SUMMER IN BELMONT

4-Year-Olds and Entering Kindergartners: In this fun summer program, we will teach your child to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

Entering 1st Graders: In this fun summer program, we will teach your child to read independently. Children learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Your child will be excited about reading and get off to a great start in first grade.

Entering 2nd Graders: In this fun summer program, we will teach your child to become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will gain confidence, be excited about books and reading, and get off to a great start in second grade.

Entering 3rd Graders: In this fun summer program, we will teach your child to become a strong, fluent reader. Children develop long-word decoding skills, reading fluency, and excellent comprehension. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in third grade.

Entering 4th Graders and Entering 5th Graders: In these fun and effective programs, we will teach your child to become a skilled, enthusiastic reader. Students develop strong comprehension skills in fiction, non-fiction, and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly. Students who learn these skills can complete homework more quickly and easily, be more successful in school, and develop a lifelong love of reading.

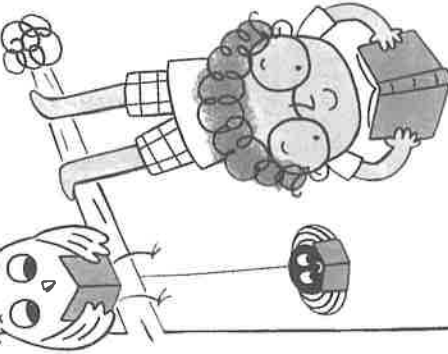

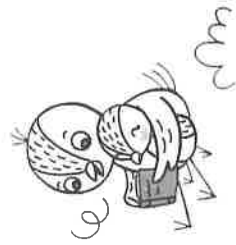

Entering 6th-8th Graders and Entering 9th-11th Graders: In these effective and enjoyable programs, children make substantial gains in comprehension and learn to read faster. Our average student doubles reading speed* while learning the best way to take notes, study for tests, and read fiction, non-fiction, and textbooks. Students who learn these skills can complete homework more quickly and easily, get better grades, and enjoy reading more.
