

**SAN MATEO-FOSTER CITY  
SCHOOL DISTRICT**

August 12, 2020

Dear George Hall Families,

Welcome to the 2020-2021 school year! On Monday, August 17th we are asking families to drive to school to pick up materials. Preschool-Fifth Grade teachers created bags with materials for student use for distance learning. During the pick up, please follow social distancing rules by staying in your car at all times with everyone in the car wearing masks. We will have additional distribution days with new materials throughout the school year. Dates for additional distribution days will be shared at a later day.

**Items to Receive:**

- 1 box of materials for each child in your household
- School related curriculum (English Language Arts, Math, Science)

**Process for Receiving Items:**

- Please put a sign in your window on the front passenger side with your child's first and last name and teacher/room number.
- Remain in your car, show your name sign, and open your trunk.
- Please wear a mask.
- Staff will be present (with masks and gloves) to place your items in your trunk.

Staff looks forward to greeting students and families. Please enter the drive-through using the gate on Curtiss St. Once you receive items, we ask that you please leave the area so we can continue distributing items to other families. You can pick up items for a neighbor if needed but we will need their information. If you are not able to come on the assigned day, please make arrangements with the office.

<b>Monday, August 17</b>	<b>1:00 - 2:15 / Last Names: A-K</b>
	<b>2:30 - 3:45 / Last Names: L-Z</b>

Sincerely,  
Annaben Kazemi  
Principal
