## Program Details

During STEAM Academy, we ask that parents follow a few guidelines and communicate a few reminders to their child to make this a successful program:

1. Register *early!* To avoid cancellation of classes for your child and to guarantee the class will run, it's important to sign up early. Each class has a minimum amount of participants needed to perform the class, and must be reached before the start of class.
2. Children meet in the outside lunch tables (near library) to eat their lunch.
3. After lunch, they will be dismissed by a staff member to each of their classes/instructors.

**\*\*Some classes have a materials fee. The check/cash must be paid directly to the instructor on the first day of class.\*\***

## Refund/Registration Policy

- The last day to transfer/drop a class is on or before the **2nd** class meeting. (No exceptions. *Refunds will not be processed after this date.*)
- Refunds requests must be made through the Recreation Center (650 Shell Blvd.) or by calling (650) 286-3380 during designated business hours (Monday-Friday, 8:00am-5:00pm).
- Class fees will **not** be pro-rated for late registrations or missed classes.
- If you register the day of the first class, your child may not be able to attend until the **next** class meeting.

**HAVE QUESTIONS? WE HAVE ANSWERS! CALL US AT (650) 286-3380**

# Welcome!

Welcome to STEAM Academy! This program is formally known as the Wednesday Enrichment Program, but will still offer the same great benefits and fun! What exactly is STEAM? STEAM is an acronym for Science/Sports, Technology, Engineering, the Arts and Mathematics. The idea of emphasizing these subjects within this program has been driven by the business community, with the goal of preparing an agile and competitive workforce. However, the benefits from these classes will be seen in the classroom through improved self-esteem, improved social skills, an increase interest in school, and an increase in academic performance. STEAM education provides the underpinnings for every child to be successful in college, work, and life. Children who complete **one** class offered in at least **four** different areas of STEAM will receive a ribbon of completion. Cut out the page below for your academy card, and be sure to write in the classes and session to receive your prize during Session IV. We hope you consider some of the class offerings this year!
