FORCE NORTH SOCCER PRE-ACADEMY

The Pre-Academy Program and Curriculum were developed to further an interest in soccer and all sports for kids ages 3-9. Our Pre-Academy sessions offer a fun and nurturing environment with training directly correlated to that used in our Club program. The Pre-Academy curriculum was developed and is taught by the coaches of the Force North Club teams. It will not only help your child develop the physical, mental and technical skills to ***excel in soccer at the highest level***, but it is also relevant for all-around athletic development.
