For more information, please contact Ben Dieterle at (650) 286-3387 or visit www.fostercity.org/parksandrecreation/srts

Safe Routes to School Pledge

On October 4, we are asking students to sign a pledge that asks them to promise to:

- Stop, look left, right, and left again before I cross the street.
- Wear and buckle a bicycle helmet every time I ride my bicycle.
- Stay alert when walking and bicycling– I will watch out for all other traffic around me.
- Wear bright colors if I am walking or bicycling during the day and reflective gear at night.
- Stay 5 giant steps away from the street when I'm waiting for a bus.

Attention Parents:

I pledge to my child, to be a safety Role Model when biking, walking, and driving around bicyclists and pedestrians, leading by example.

I promise to...

- ♦ Walk on a sidewalk, if there is one. If not, I will walk on the side of the road facing traffic.
- ♦ Stay alert to traffic by keeping my eyes on the road. No texting while driving or walking.
- ♦ Cross streets using crosswalks or at intersections.
- ♦ Teach my children to stop, look left, right, and left again before crossing the street.
- ♦ Have all family members wear and buckle a bike helmet every ride.
- ♦ Walk and bike as a family, when possible, to reinforce and explain safe behaviors around traffic.
