Ragazzi Boys Chorus, celebrating its 30th season, is a nationally recognized choral education and performance organization for boys ages 5 to 18.

Can't make it to SingFest? Book a January audition for your 7–10 year old boy at ragazzi.org/join-us.

Is your boy 5–6 years old? He's a little young for our main program, but just the right age to start singing and discovering music in our after-school *Music and Movement* class. Next session starts January 29, 2018. Sibling discounts.
