Dear Parents/Guardians,

Are you looking for ways to get your child more involved in school? **Abbott Middle School has some amazing virtual academic and social clubs during distance learning!** We appreciate that students may not have access to the exact same clubs and organizations that exist on a traditional brick-and-mortar campus, but there is still a wide range of options available for those who want to connect with their classmates.

Virtual clubs and organizations provide students with multiple opportunities for engagement and connection. Options range from academic, musical, artistic, social, athletic, and volunteer opportunities. Some clubs even branch into cultural clubs and specific academic interest groups. Teachers have provided a calendar of options. Please review with your child to see if there is a club that interests them and have your child attend on the date and time provided. Students may participate in multiple clubs. All are welcome!

Please let me know if I can help you.

Kindly,

Dr. Heidi Reyes

Estimados padres / tutores:

¿Está buscando formas de involucrar más a su hijo en la escuela? ¡La Escuela Intermedia Abbott tiene algunos clubes sociales y académicos virtuales increíbles durante el aprendizaje a distancia! Apreciamos que los estudiantes pueden no tener acceso a los mismos clubes y organizaciones que existen en un campus tradicional, pero todavía hay una amplia gama de opciones disponibles para aquellos que desean conectarse con sus compañeros de clase.

Los clubes y organizaciones virtuales brindan a los estudiantes múltiples oportunidades de participación y conexión. Las opciones van desde oportunidades académicas, musicales, artísticas, sociales, deportivas y de voluntariado. Algunos clubes incluso se ramifican en clubes culturales y grupos de interés académico específicos. Los maestros han proporcionado un calendario de opciones. Revise con su hijo para ver si hay un club que les interese y haga que su hijo asista en la fecha y hora indicadas. Los estudiantes pueden participar en varios clubes. ¡Todos son bienvenidos!

Hágame saber si puedo ayudarlo.

Amablemente,

Dr. Heidi Reyes
