- Students are to follow **all school rules and policies** as defined by school regulations in the school handbook. Participation in school athletics is an extension of school so the same behavior is to be expected. Each coach will discuss specific expectations for their hub the first day.
- **Students must stay to their assigned hubs during practice time.**
- Students must contact their specific instructor by mid-morning the day of their hub if they will be absent.
- Any student who does not attend three or more sessions will be dropped from the activity and a student on the waitlist will be offered the space.
- Practices (and campus) are closed to parents and guardians. Students should be picked up at the designated pick up/drop off location.
- Parents: please encourage your students to participate in their sports hub with respect and good sportsmanship towards their coach, their peers, and themselves.

Health Screening - Complete Every Morning before School (HYBRID)

- Families must complete wellness questions **daily** on the Frontline app (In progress) about your child's health.
