

GEORGE HALL JAGUAR NEWSLETTER

AUGUST 31, 2020 Ms. Kazemi, Principal

Wednesday (9/2) Teacher Professional Development (PD)

This school year, teachers will engage in a number of Wednesday Teacher PD Days. The purpose of this day is to continue to support, train, and update teachers and staff on our distance learning programs. They, too, are learners and these days will be devoted to support their growth as new distance learning educators. On these Wednesdays, teachers will hold their live Morning Meeting to take attendance, provide a message, and assign asynchronous assignments and learning for the rest of the day. **Wednesday, September 2, 2020**, is our first Wednesday of Asynchronous Learning for students.

Parent teacher Association (PTA)

George Hall really is a special place - we have an amazing community of students, parents, community members, administrators, teachers and staff. As we continue to confront the COVID 19 pandemic and racial injustices, it is important to remember the mission of our PTA - to positively impact the lives of children and families. At George Hall, we can support this mission through our PTA's wide-ranging efforts of supporting school and district programs, hosting community building events, and through direct giving that helps the educators and students at George Hall.
