George Hall PTA Family Multicultural Night:

This event is planned in-person for this Wednesday, May 11, from 5-7 pm. Traditionally this has been one of the most well attended, fun, family events at George Hall! There’s still time to participate! Please reach out to our PTA Enrichment Coordinator, Elizabeth Colagliaier elizabeth.colglazier@gmail.com

CAASPP:

The California Assessment of Student Performance and Progress (CAASPP) is given to third, fourth and fifth graders. We want students to be prepared but **not feel anxious or scared** about the assessment. Please make sure your child gets a good night’s sleep and a nutritious breakfast before testing. Testing is planned during the 8:15-10:00 instructional block. Our campus will be in a Quiet Zone during this time.

	ELA	Math	Science
3rd grade	May 17-18	May 24-25	
4th grade	May 24-26	May 31-June 2	
5th grade	May 9-10	May 16-17	May 22-23

You are an important part of your student(s)’s education. To help your student(s) get ready for the test, you can:

- Talk about the test with your child. Make sure they are not scared or anxious. Teachers are also sharing information about the CAASPP with their students.
- Tell your child that you and their teacher are both there to help, every step of the way.
- Make sure your child gets a good night’s sleep and a nutritious breakfast before testing.
- Take a practice test with your child. You can look at sample test questions on the practice and training tests, which can be found on the CAASPP Web Portal at <http://www.caaspp.org/practice-and-training/index.html>. You can watch videos about the practice and training tests by [clicking here](#).

New TK/ Kindergarten Orientation:

On Wednesday June 1st at 5:00pm there will be an in-person orientation meeting for new TK and new Kindergarten families. This will be an opportunity for families to meet some of the teachers, the principal, and representatives from the PTA.

Thank You to PTA:

Your dedication, time, and generosity all mean so much to George Hall, and we are very lucky to be able to experience the benefits of such an involved community. Thank you for making Teacher and Staff appreciation so special last week!
