

KEFF@HOME

Virtual Winter Camp for Grades TK-5

December 21–January 4 | Daily and Weekly Options Available

**It's comfy and cozy... It's creative and packed with fun...
It's Keff@Home Winter Camp!**

Keff@Home brings campers a week of socializing, laughter, play, and creativity, plus something new every day, like special guests, virtual field trips, goofy dress-up days, all-camp celebrations, and more!

Every morning is filled with activities designed to support their social and emotional development, while sparking their ingenuity, curiosity, and desire to learn about the world around them.

Your child will join a small group of campers led by two dedicated counselors who guide them through the morning's activities and create a supportive, fun community where kids thrive.
